Taking an Axillary Temperature (under the arm)
Approximate measurement time: 9 seconds
1. Place the probe tip under the arm so the tip is touching the skin with the thermometer perpendicular to the body.
2. Position the arm across the chest so the probe tip is well covered by the arm.
3. The thermometer will sound four sets of five quick beeps.
4. To turn the unit off, press the ON/OFF button. The unit will automatically shut off after approximately nine minutes.
NOTE: Axillary temperatures are generally 1.0 °F lower than oral readings.

Taking a Rectal Temperature
Approximate measurement time: 9 seconds
NOTE: Rectal temperatures are an appropriate and reliable method for infants and small children. Otherwise, this method should only be used when it is impossible or impractical to take an oral or axillary temperature.
1. After applying the disposable probe cover, apply a water-soluble lubricant to the tip.
2. Gently insert the probe a MAXIMUM of 1/2" into the rectum.
3. When the peak temperature has been reached, the ° F will stop flashing and the thermometer will sound four sets of five quick beeps.
4. To turn the unit off, press the ON/OFF button. The unit will automatically power down after approximately ten minutes.
NOTE: Rectal temperatures are generally 1.0 °F higher than oral readings.

Using Disposable Probe Covers
It is recommended to use the enclosed disposable probe covers to prevent cross contamination. Additional probe covers can be purchased from your MABIS Dealer or with the order form provided.

General Care
1. The thermometer should only be used under the supervision of an adult.
2. Do not walk, run or talk during temperature taking.
3. Clean the thermometer before and after each use.
4. Store the unit in the protective case when not in use.
5. Do not bite the probe.
6. Do not store the unit where it will be exposed to direct sunlight, dust or humidity.
Avoid extreme temperatures. We recommend to take your thermometer away from extreme temperatures.
7. Dropping or subjecting your thermometer to strong shocks should be avoided.
8. Do not attempt to disassemble the unit, except to replace the battery.
9. If ERR displays and measurement is not attainable, the unit must be replaced.
NOTE: Performance of the device may be degraded if operated outside of stated F higher than oral readings.

Changing the Battery
1. Remove the battery cover by sliding the battery cap away from the unit.
2. Carefully slide the battery cap back into place, making sure that the cap fits snugly to protect the battery compartment from moisture.

NOTE: Please properly dispose the battery away from small children and heat.

Specifications
DISPLAY: Liquid Crystal Display
DISPLAY RESOLUTION: 4 digits (1/100th of a degree increment)
MEASUREMENT RANGE: 36.0 °F to 111.9 °F
ACCURACY: ±0.2°F
RESPONSE TIME: 10 seconds. Rectal 9 seconds, Axillary 25 seconds
TEMPERATURE RANGES:
98.4°F - 100.5°F
97.4°F - 102.5°F
36.6°C - 38.0°C
36.4°C - 38.7°C
RELATIVE HUMIDITY: 10% to 95%RH
HUMIDITY: 10% to 95%RH
DIMENSIONS: 2 1/8" H x 1 1/8" W x 3/8" D
WEIGHT: 3.4 ounces (97.6 grams)
PROBE TIPS: #MAB-ACT3020 08/05

Limited Warranty
MABIS Healthcare (MABIS) guarantees that its MABIS Digital Thermometer will be free from manufacturing defects under normal use for as long as the original purchaser owns the product.

This warranty covers only normal use, and does not apply to use in any clinical or commercial applications. This warranty does not cover batteries or other power sources that may be provided with or used with the MABIS Digital Thermometer. This warranty is voided if the MABIS Digital Thermometer product is misused or abused in any manner.

If the MABIS Digital Thermometer fails to operate during the time the original purchaser owns it, it will return it prepaid to: MABIS Healthcare, Attn: Repair Department, 1931 Normand Drive, Waukegan, IL 60085. MABIS will repair or replace the defective unit at its option if the MABIS Digital Thermometer does not operate during the above warranty period.

Any implied warranties which the purchaser may have are limited in duration to the time that the original consumer purchaser owns the product. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

PROBE COVER ORDER FORM

Please send _____ packages of disposable probe covers #15-618-000 (100 probes per package). Enclosed is $5.00 per package plus $3.00 for shipping and handling for each order.

PAYMENT METHOD (do not send cash):
☐ Check ☐ Money Order

Please ship to:
